Ps – if you all want to do your own news release and hand them out at the event, that'd be fine by us – other offices may do that.

By the way, we just found out that a vote has now been scheduled in the Senate tomorrow at 5:30 pm.

So as it stands now, both Senators Booker and Menendez will unfortunately now not be able to attend – they will send reps.

Sorry.

Hi again Erica – for the 9:30 call tomorrow, staff from other offices, including Congressman Pascrell's, will be on.

Chris

Where are we on this pre call? I am getting asked by my DC office as well as my colleagues in the other offices. It is best to contact me via [edaughtrey22@gmail.com](mailto:edaughtrey22@gmail.com) or my cell if you send something out after 5pm. I need to leave to go to an event.

Best

Erica

Attached is the revised media advisory.

We'd be looking for brief remarks, ~5 minutes or so.

Also, please coach me on the preferred pronunciation of his last name?

I've heard it:

Sear-Ez

Sear-Is

Sear-Eez

Thanks! We look forward to seeing him tomorrow.

Unfortunately not, our press officer only listed the confirmed attendees/speakers.

Btw, Congressman Payne's name does not appear on the advisory that went out, we didn't hear back in time, but he will be there.
